SUMMARY

B.Com graduate with recent hands-on experience in digital marketing, social media research, content support, lead generation, and sales outreach. Worked on competitor research, social media and website reviews, script rewriting, lead qualification, cold calling, email outreach, and follow-ups. Interested in building practical experience in content and social media marketing.

CORE SKILLS

Social Media Research | Competitor Analysis | Content Research | Script Rewriting | Social Media Audits | Website Review | Lead Generation | Lead Qualification | Cold Calling | Email Outreach | Follow-ups | Basic SEO | Canva

EXPERIENCE

Digital Marketing Intern — Alcas Digital Services

- Researched businesses, competitors, and social media profiles to support marketing and outreach activities.
- Reviewed social media profiles and websites to identify content, positioning, and improvement opportunities.
- Rewrote company-provided scripts and supported content-related work.
- Used lead research and scraping workflows to collect and qualify business prospects for outreach.
- Completed 60+ cold calls and sent 70+ cold emails during a tracked outreach week.
- Scheduled a Google Meet with a qualified prospect through cold calling and added the lead to the sales pipeline.
- Handled follow-up calls, email communication, and 19+ direct messages with prospective businesses.

RELEVANT WORK

Social Media & Competitor Analysis

- Analyzed Instagram profiles, content patterns, positioning, and competitor activity.
- Organized observations into practical content and profile improvement recommendations.

Lead Generation & Sales Outreach

- Researched and qualified potential business leads for outreach campaigns.
- Supported outreach through cold calls, cold emails, direct messages, and follow-ups while tracking prospect responses.

Content & Website Review

- Reviewed website pages and suggested areas for clearer customer communication and presentation.
- Worked on rewriting scripts supplied by the company for marketing use.
